SUPPLEMENTARY REGULATIONS BRITISH 24 HR EVENT 2009

Issued 12th August

FUEL

HIRE KARTS - Will be allowed one (1) full tank of fuel for Friday practice & refuelled Saturday morning prior to practice/qualifying practice Saturday 9.45am - 10.15am please refer to new itinerary.

OWNERS - Will use their own fuel for Friday & Saturday practice. Must refuel for qualifying & race start.

There will be two (2) refuelling bays available.

CAMPING

Again we must remind you that **ALL SPACES MUST BE ALLOCATED** by Teesside staff. You will be moved if you have not been allocated a space.

BRIEFING

ALL drivers MUST attend the drivers briefing. Wristbands will be given to all drivers who have attended, those with no wristbands will not be allowed access to the circuit.

DRIVER STANDARDS

All drivers must have participated in a practice session. We are expecting the standard of driving to be carried out in a mature & professional manner. All drivers will be observed during the practice session, & if any driver who does not reach the expected driving standard they will not be allowed to compete in the event.

H4H FUND RAISING

All drivers will be expected to register with a donation for H4H wristband which is required for access to the circuit, a minimum donation of £5 per driver is required.

TRANSPONDERS

All owner drivers **MUST** provide their own transponder. Very few are available for hire on a 1st come 1st served basis.
