RACE HIRE PACKAGES

With feedback from EPEC hire teams 2009, we have now refined our race package. Working closely with MS Karts & Howard Lucas, we are bringing you a race winning package, MS WORKS CHASSIS, RPM ENGINES, with technical & set up support from Lucas Racing.

This sophisticated package offers you **THE WINNING OPPORTUNITY**

To achieve a level of competitiveness, which motivated teams require, we will only be running a maximum of 6 karts in this super race hire package. However, if you require a less sophisticated package with price on application please contact us.

RACE HIRE PACKAGES INCLUDE

- Selected works kart for your own use
- Full technical support
- All tyres including wets
- Selected race engines
- All spares
- Access to team set-up
- Delivery to & from circuits
- Awning space

Pre-race day testing £200 including fuel & track test fees. Should a chassis be written off a £250 maximum supplement will be charged.
